Sub: Group Workshed Scheme for decentralized powerloom weaving industry

Sir,

The Govt. of India have approved a Group Workshed Scheme for decentralized powerloom sector during X Five Year Plan which aims at setting up of powerloom clusters with modern weaving machines to enhance their competitiveness in the global market.

Detailed guidelines for implementation of the Scheme are enclosed. The Officers-In-Charge of ROs should take proactive measures to sensitize the decentralized powerloom industry to make use of the benefits available under the Scheme under their jurisdiction with the active participation of the Powerloom Service Centres. They shall also help powerloom associations/entrepreneurs who wish to set up Group Worksheds in formulating a proper project proposal for consideration.

Yours sincerely,

Sd/-
(SUBODH KUMAR)
TEXTILE COMMISSIONER
