On raising the query R.O.Ahmedabad has informed as under :

‘Foam generator / mixer are used by the unit as a auxiliary machines for coating line. Two mixer and one cleaner as per Invoice. All above machines are auxiliary machines of the coating line hence unit has been allotted 01 MIC and JIT has verified all the machines mentioned in the invoice and recommended the same considering as a one Machine in the JIT Report.’

They may also be asked to forward the Technical Literature for the mixer and cleaner of the machines. Matter may be deferred till the receipt of the Technical Literature and comments from R.O. Ahmedabad.
